Vision, Mission and Core Values.

Vision: To be a leading professional security company in the provision of security services with integrity within Kenya and beyond.

Mission: To provide our customers with the best possible security services and advisory services driven by passion to solve operational and security issues promptly, efficiently and at a reasonable cost.

Core Values.

As an organization, we build our business on the following core values:

1. The best Human Resource: As one of the most important aspect of our operations we endeavor to hire, train and maintain well motivated personnel.
2. Absolute Integrity: We seek to deliver real value for money to our esteemed customers through open liaison and consultations.
3. Solutions Provider: We use proprietary processes and extensive experience to deliver expert solutions in all our service lines. This ensures improved management, safety, security, demonstrable risk and loss reduction.
4. Innovation: We seek to be a professional and progressive company in our quest to be proactive in the delivery of security solutions to our customers.
5. Service with Passion: We seek to passionately deliver services as our way of doing business.

Let The Professionals Do it For You

Website: www.oltau.co.ke

OBJECTIVES

- Dependable security services.
- Establishment of long term partnership
- Risk analysis and investigation of losses or incidents
- Proactive preventing of losses due to implementation of effective system and procedure.

STAFF

Our staff consist of experienced officers and even well trained security guards, we have a well-knit team of our field staff who always put in co-ordinated efforts in supervising the security staff performing their duties. They carry out checks during the day and night and maintain discipline to the entire satisfaction of our clients.

We regularly train our security staff to keep them abreast of the latest development in global and domestic security. We cater to diverse needs of our clients.

Our staff always remain in touch with clients and also send written reports in this connection, if required.

Website: www.oltau.co.ke

COMMUNICATION

Mobile phones and radio (Walkie talkies) communication is very essential in the security organization. We back up our services by providing supervisors in charge and guards with mobile radios that cover a 5km radius that we find useful and of communication. Boost in our service delivery.

INSURANCE

We have an insurance cover in place to secure our personal and property of public liability, injury and benefits act to cushion our operations. We however advice our clients to insure their property adequately as we do not insure but secure

VEHICLES / MOTORBIKES ETC

OLTAU SECURITY FIRM has a number of vehicles for both staff and patrol services. The vehicles are used to monitor security situations in all assignments within the country. They also ferry additional security personnel to their respective places of work (On emergencies to clients and others organisation calls and competent bodies such as government). The vehicles can be stationed at the client premise for surveillance and quick response purpose.
